April 9, 2020

Dear Parent / Guardian,

We hope you, your family and loved ones are well during these uncertain times. As we head into the long weekend, we would like to bring some important information to your attention.

Schedule for Learning

Students should have been contacted by their teachers this week and should now be aware of a plan for learning that will take place over the coming weeks. Students are expected to respond to teachers and engage in all learning activities provided. Students should expect learning activities to be shared with them by their teachers according to the schedule below. Should students have questions or require clarification about any learning activities, they are encouraged to contact their teacher on any day. On most Fridays, teachers may designate 'office hours' during which a student can contact a teacher for individualized support. Students who regularly receive support from a Learning Support Teacher or Educational Assistant are encouraged to contact these individuals on any day to access assistance with learning activities.

Schedule for April 13-17

Blocks A/ A1/A2	Blocks B/B1/B2	Blocks C/C1/C2	Blocks D /D1 /D2	'X' Block, Office Hours, General Support

Report Cards

Report Cards will be posted on Student and Parent Connect on Thursday, April 16. Report card marks will reflect learning that has taken place up until March 13. If you have any questions about your student's learning in a particular course, please contact your student's teacher by email.

Together we can make a difference

With the long weekend about to start, we know the temptation to spend time with friends and family, often in gatherings or at favourite locations or even on trips out of town, is strong.

But this long weekend is different. Please stay home. Stay in your local community. And if you do go out, stay at a safe distance from others – at least 2 metres. Instead, we encourage you to find ways to connect virtually this long weekend, using video calls or phone calls.

By doing this, together we will help slow the spread of COVID-19 and more importantly, we will be protecting our loved ones and our health care workers.

Essential Services Workers

If you have children and are an Essential Services Worker as defined by the [provincial government](#), trying to make a decision between working or staying at home with your children, please email ESW@deltasd.bc.ca with your contact information and needs.

Please include a phone number to make it easier for us to get in touch with you. Someone from the school district will be in touch as soon as possible to discuss next steps. If you have already emailed and have not received a response, please check your junk email folder and/or email us again including a phone number. We have received a large volume of emails and want to ensure we have not missed anyone.

Sincerely,

Mr. A. Akune, Principal Grade 12

Mr. K. Dalgetty, Vice-Principal Grade 8, 10

Mr. B. Scarr, Vice-Principal Grade 9, 11
