Administration Report

Student Safety & Daily Health Check

- Reduction of face-to-face contact, crowding
 - Face to face - Emphasize with staff to rethink group activities and reduce facing each other
 - Crowding – usually end of the school day when students are exiting. Staff reluctant to make students leave as it's their only social activity that they have. Announcements have been made to disperse quickly and students are listening.

2021/22 School Year

Nothing definite as to what class will look next year. Ministry is pushing for a full day, perhaps returning to a Stage 1...more to come. Anticipate the bigger districts such as Surrey will come out with their plans prior to the Delta School District.

Parent Survey

- will come out with a range of questions, such as impact of longer blocks, impact of taking fewer courses at a time, pressure and stress.

GRAD

- doesn't look like we will be able to do the traditional events that are typically done. This year will be similar to last year and create a grad video. Look at :

Discussion

Course selection:

Kaushal – asked where the course selection booklet can be found. It's located on the website:

<https://nd.deltasd.bc.ca/student-resources/course-planning/>

Kawalpreet – asked if students will be forced to take certain courses because of COVID. Every year that can be the case, sometimes the enrollment for that class is low so it has to be cancelled.

Adjournment: 8:30pm

Next PAC Meeting: Tuesday April 20 2021 (no meeting in March – Spring Break)
