**Health & Safety Update**

- ND has received collection sample kits to help make testing for COVID-19 easier and faster for students and their families. The kits come with detailed instructions for parents on how to collect the sample. Samples are to be taken at home and dropped off at a LifeLabs location within 24 hours
- The City of Delta is offering free transportation to immunization clinics with students and their families. It has three 7-seater buses that can pick them up from school or home curbside to and from the Ladner or North Delta vaccine clinics once they have registered and received confirmation they are eligible to book a vaccination appointment. (Please note: North Delta is prioritized as a high transmission neighbourhood so anyone 18+ who lives in North Delta can receive a booking invitation to get a vaccine.)
- Students/families can register online here: <https://www2.gov.bc.ca/gov/content/covid-19/vaccine/register>

**Chair:**

- Nothing new to report

**Treasurer:**

1. Account updates:
  - a. Gaming Grant account - \$14,086.63
  - b. General Account - \$1144.31
2. Gaming Grant Application – complete (thanks Ujala). Next step is the Gaming Report which we will do before September. I have this year's financials with me and will coordinate with Ujala to get the information to her. I can see if I can get the June statements in July so we can start early.

**Correspondences**

Nothing to report

**Old Business New Business**

Considerations for Next meeting:

1. Student Scholarship – we now need to give the cheque direct to the student so we will coordinate who gets the cheque and when. I will look into this further with Mr. Akune.
2. Teacher Appreciation – reached out to one teacher who thought a grab bag would be appreciated
  - I have some ideas – like a piece of fruit, coffee packet or tea and/or a cookie or something put into a bag (which can be decorated nicely). Things would need to be individually wrapped.
  - Need a date and a count for how many teachers, staff and custodial there are
  - Budget is around up to \$300 which is not a lot

Action: we will meet via email to work out some details.

**Adjournment at 8:03 pm**

**Next PAC Meeting: June 15, 2021 (tentative)**
