Regarding Mental Health, is it an emphasis for the District or just for ND? Actually, it is of importance province-wide.

Assessment for Grade 10 – what happens if the student does home learning for Grades 11 and 12? Still responsible for the assessments, but will hold more sessions in April and June for students to complete.

Plans for the Graduation Ceremony – no concrete answers just yet. They can be flexible for the valedictory ceremonies. Have booked the hotel for the banquet but there may be possible changes.
