Administration Report

Staffing process for the next school year has started. Registrations have come in and the numbers are basically the same as this year, approximately 1350. So far, the grade 8 class has low numbers.

April 24 is Admins Professional Day and Ms. Sahota plans on buying lunch for the admin staff of the school!

There are many events at the school on right now including Vaisakhi.

Tickets are on sale for both the Grad Banquet and Dry Grad. At this point the ticket sales for the Grad banquet have been a little slow. Dry Grad tickets sales are going well with a total of 136 sold so far. April 25 is the last day to buy Dry Grad tickets.

April 18th is Green shirt Pie in the Face day – a great fundraiser put together by a grade 12 student for her Capstone Project in support of BC Organ Donation.

Valedictorian – The selection process will begin for this in May.

On April 3 Ms. Sahota was honoured to attend a 15th Anniversary celebration of the First Nations treaty. It was a very nice event held in the long house. The event included a blanket ceremony and was attended by others including the Premier and the Mayor.

Sports – The ball hockey team has made it to Provincials. Track meets with the elementary schools will begin soon and are held here at North Delta.

The girl's rugby team won their first match on April 16 against Burnsvew. The score was 33 - 15. Congratulations!

Succession – We need to plan for the continuity of the PAC for next year as not all members will be going forward in their positions.
