2024-2025 School Year

Dear Parents/Guardians and Grade 12 Students,

Traditionally, throughout a student's Grade 12 year a variety of school-sanctioned graduation-related activities take place. These activities are intended to be fun and create lasting memories for graduating students. In an effort to ensure a safe, positive environment, we are asking all Grade 12 students and their parents/guardians to carefully read the information below and acknowledge that they understand the information by signing below.

This Grad Activities Contract must be completed and submitted to the office prior to a student participating in any graduation-related events.

Grade 12 students who wish to participate in graduation-related activities must be considered students in 'good standing'. This includes the following expectations:

- Abiding by the School and District Code of Conduct
- Regular attendance in all classes
- No involvement in the harm or discrimination of others based on: race, religion, gender, physical or intellectual disability, sexual orientation, age, etc.
- No involvement with drugs, alcohol, smoking, vaping or restricted substances during the school day or during any school-sponsored events, activities or field trips
- No involvement in threatening, bullying, harassing, intimidating or interfering with the emotional and physical well-being of others, including by electronic means
- No involvement in physical violence or gang-related behaviours
- No involvement in theft or damage to school property or the property of others
- No possession of dangerous articles or items that could be used as a weapon
- No involvement in any activity deemed a "prank" in the school or community that jeopardizes the safety, well-being, security of others and/or property. This could include:
 - damage to school property or to property in the community
 - actions that result in a financial cost to individuals, the District or businesses in the community
 - behaviours that damage the school's reputation actions that negatively impact the physical or emotional well-being of students, staff and/or the community
 - actions that disrupt the teaching and learning environment

Students who are unable to meet the expectations above may have their privilege of participating in graduation-related activities (Grad Boat Cruise, Dances, Red Carpet, Grad Banquet, Valedictory, etc.) revoked.

Sincerely,
Ms. Sahota, Principal
