October 2024

Hello ND families,

Re: Parking Lot Safety

Thank you for your support of our recent changes to the parking lots. We have certainly noticed a positive impact.

I am writing to you today to re-iterate the safety measures in place and to outline some additional measures that will assist.

- * The front parking lot on 82nd is for students to park and for members of the community to access the track
- * Students must register their vehicle and number plates with the Main Office
- * The back parking lot on 81st is for staff only (staff vehicles have parking tags displayed)
- * The parking lot beside the tennis courts is City of Delta parking and is not for student use
- * Parents/guardians may drop off using both the front and back parking lots. Please pull up all the way to beginning of the drop off lane. Do not park or idle there during pick up and drop off
- * We do not encourage you to drop off/pick up on 114th as there isn't a usable drop off/pick up lane and the neighbouring streets are clogged with cars. The curve on 114th is not accessible to parents/guardians as our Inclusive Learning buses use this and we need to maintain safety here. **Please use the front or back drop off/pick up lanes.**

Please be respectful of the neighbours living in this area (that may be you).

I appreciate your support in keeping our community safe.

Sincerely,
Ms. Sahota
Principal
